# SUMMARY

- **Heading**: Page title or main section headers.
- **Subheading**: Titles inside modals, forms, or under main headers.
- **Body Text**: General paragraphs and input values.
- **Form Labels**: Field labels above inputs.
- **Button Text**: Action buttons on forms, modals, or tables.
- For entries with ranges (e.g., 60–72px), the document shows flexibility depending on use case or layout.
- Dual sizes (e.g., 14px or 12px) indicate responsive scaling depending on space constraints.
